

Please join us!

What we're doing: Installing new plants, sowing seeds, pruning & deadheading.

Where: 345 Fair Ln, Placerville, CA 95667

When: Wednesday, October 25 @ 9:00 am

Please bring gloves, pruners, water, and snacks if needed. There should be opportunities for everyone; digging, installing dripper lines to new plants, planting, watering new plants, raking to prepare for seed distribution, clean up, etc...

Feel free to invite a buddy, or pass this message on to others who might be interested in volunteering! RSVP to web.eldoradocnps@gmail.com.
